FROM THE PASTOR

This Saturday we will gather as the body of Christ here at Lakeview to fellowship and celebrate the future during our "Vision Chili Supper." I would love to see everyone in attendance. Last year, after much prayerful consideration, I presented a vision for our future. The vision was simple – the we love and adore Christ Jesus above all, that we teach and live out the scriptures, that we love each other and live as a family, that we love those near and those far by sharing the gospel to all and meeting needs where they present themselves. This vision has become a part of everything we do, and I want to encourage each of us to remain focused as we continue throughout this new year. Saturday, between bowls of chili, I will share how we will seek to fulfill each aspect of this vision in very simple ways. We do not want to be a church that constantly adds "activity" to our lives, but we do want to align our current activities to fulfilling God's vision for our church. I am excited...I am proud...excited about God's greatness being proclaimed through us and proud to be the pastor of such a wonderful collection of saints in Christ. I love each one of you more than can be described. May we remain focused in pointing to Him.

LIVES

IMPACTED

FOR

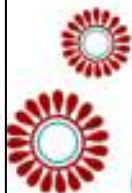

ETERNITY

Matthew 28:19-20. Fulfill God's command to GO!

We are in the middle of an amazing mission field here in Rossville. All that will be required of you is 1 to 2 hours per month to give to LIFE. Many of us spend way more hours than this in front of the television. In the Great Commission, Jesus calls us to go, baptize, and teach people how to be His followers. Here is our opportunity to be obedient to His call. There will be four teams. Each team will go out once a month on their designated Tuesday night. Please prayerfully consider being a part of fulfilling the Great Commission in our neighborhood. There are sign-up sheets in your Sunday School class and on each bulletin board. If you have in questions, please call or email me. Christ's love, Chris

The Buildings and Ground Committee is looking for "green thumb" volunteers to help plant flowers or shrubs to help beautify the church grounds after the construction/repairs are completed. If you're interested in helping, please contact **Bob Maynard** or **Buddy Godfrey**.

The Sunshiners will be having a Yard Sale in May. As you do your Spring cleaning, keep them in mind before you throw that "trash" away, it may be a treasure to someone else! Contact any of our Sunshiners if you have questions.
